Reference: October Quarterly Report (7/18/02-9/30/02)

Dear Mr. Parrish:

On November 19, 2002, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your December 3, 2002 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Line 12 of the Detailed Summary Page discloses a transfer from a joint fundraising committee. However, the memo Schedules A supporting Line 12 are less than the amount transferred. Please note that memo Schedules A supporting a transfer from a joint fundraising committee should be greater than or equal to the amount reported on Line 12. Each participating committee shall report its share of net proceeds received from the joint fundraising committee as a transfer-in on Line 12. Each participating committee shall also file memo Schedules A itemizing its share of the gross receipts as contributions from the original donors. (11 CFR §102.17(c)(8)(B)(i)) Please amend your report to correct this discrepancy.

Due to recent events, the United States Postal Service is experiencing delays in the processing and delivery of mail for the Washington D.C. area. Please contact the Senate Public Records Office at (202) 224-0322 on how and where to file an amendment. You can verify the receipt of any documents submitted by your committee on the FEC website at www.FEC.gov.

An adequate response must be received at the Commission by January 1, 2003. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

If you should have any questions related to this matter, please contact Jill Sugarman on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.

Sincerely,

John D. Gibson
